

# GIANTS AND HUMAN HYBRIDS

GIANTS and HUMAN HYBRIDS don't exist and never did or DID THEY?

One of the realities we are all aware of is that we are being misled about human history. More and more archeologists, geologists and people whose job it is to dig and document their findings are unearthing anomalies that literally take us by surprise. The governments of the world have been hiding anomalies today so that mankind will remain asleep.

The picture above has been unearthed in Saudi Arabia I believe. It was quartered off so the public could not get close to it but someone in a helicopter flying over the site took this shot. Debunkers who are either paid to debunk or are simply skeptics have been attempting to debunk this one but their claims are outrageous as are most claims of these skeptical debunkers are. The picture speaks for itself.

## 47 inch Human Femur

In the late 1950s, during road construction in south-east Turkey in the Euphrates Valley, many tombs containing the remains of Giants were uncovered.

At two sites the leg bones were measured to be about 120 cms "47.24 inches".

Joe Taylor, Director of the Mt. BLANCO FOSSIL MUSEUM in Crosbyton, Texas, was commissioned to sculpt this anatomically correct, and to scale, human femur.

This "Giant" stood some 14-16 feet tall, and had 20-22 inch long feet. His or Her finger tips, with arms to their sides, would be about 6 feet above the ground.

The Biblical record, in Deuteronomy 3:11 states that the Iron Bed of Og, King of Bashan was 9 cubits by 4 cubits or approximately 14 feet long by 6 feet wide!

### GENESIS 6:4

*There were Nephilim (Giants) in the earth in those days; and also after that when the sons of God (Angels?) came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.*

Farmers, gold diggers, miners, archeologists, geologists etc., have been digging up these anomalies in the fields and when

they inform authorities about these finds they are told to either rebury them, burn them, or the authorities (POWERS THAT BE) haul them away and from that point on, they often never see the light of day again. These farmers, gold diggers, minors, archeologists, geologists etc., are then told to KEEP YOU MOUTHS SHUT OR ELSE.

**People who carry the giant gene will sometimes be born with 6 fingers or toes. This may be the only sign that they carry the gene.**

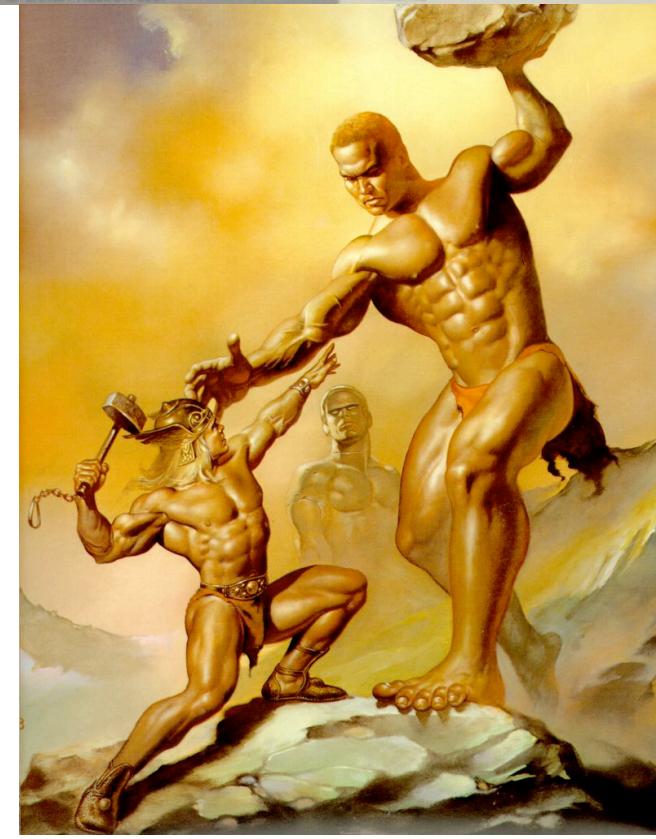

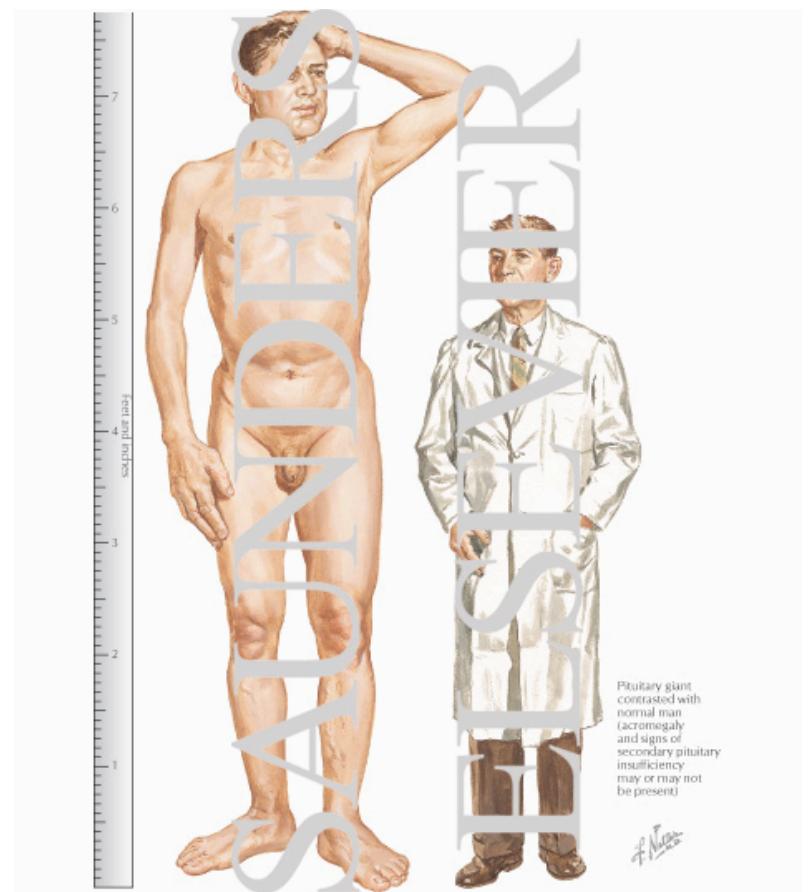

There have been some really tall people who have an illness known as gigantism, but these people are not giants in the true sense of the word. The woman in the middle picture above is Tanya. She has gigantism. Here is what the link said about her.

**"Poor Tanya Angus has Gigantism...its a disease that causes the body to produce to many growth hormones. Andre the Giant the wrestler had it, he died from it. She lives in the sweet state of Nevada right now and you might be able to see her if you stand on the table. How can you not? shes 6' 6" tall and weighs 480 lbs...and yeah shes still growing. YOU GO GIRL!"**

**All ancient cultures have stores of Giants who they fought against for survival in days gone by. They were known as demi gods, etc.**

The true giants of old were not suffering from gigantism. They were human hybrids that simply grew to be giants. They were not simply tall they were also proportionately big all over. They had six fingers and toes and some were reported to have two sets of teeth and incredible psychic powers.

The giant demi gods (demonic Nordic alien archetypes) in Genesis Chapter 6 who created the hybrid demi god giants known as the Nephilim, were described as being 6-9 feet tall or taller. They were what we call the Nordic Aryan Alien “Fallen Elohim Watchers” today. They abducted and raped earth woman who gave birth to giant human hybrids who grew really tall.

**This is a map of where giants were said to be located in prehistoric and historic Israel.**

**As these giants inbred with each other they kept getting taller.**

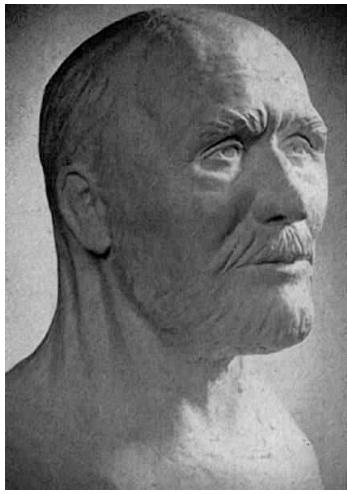

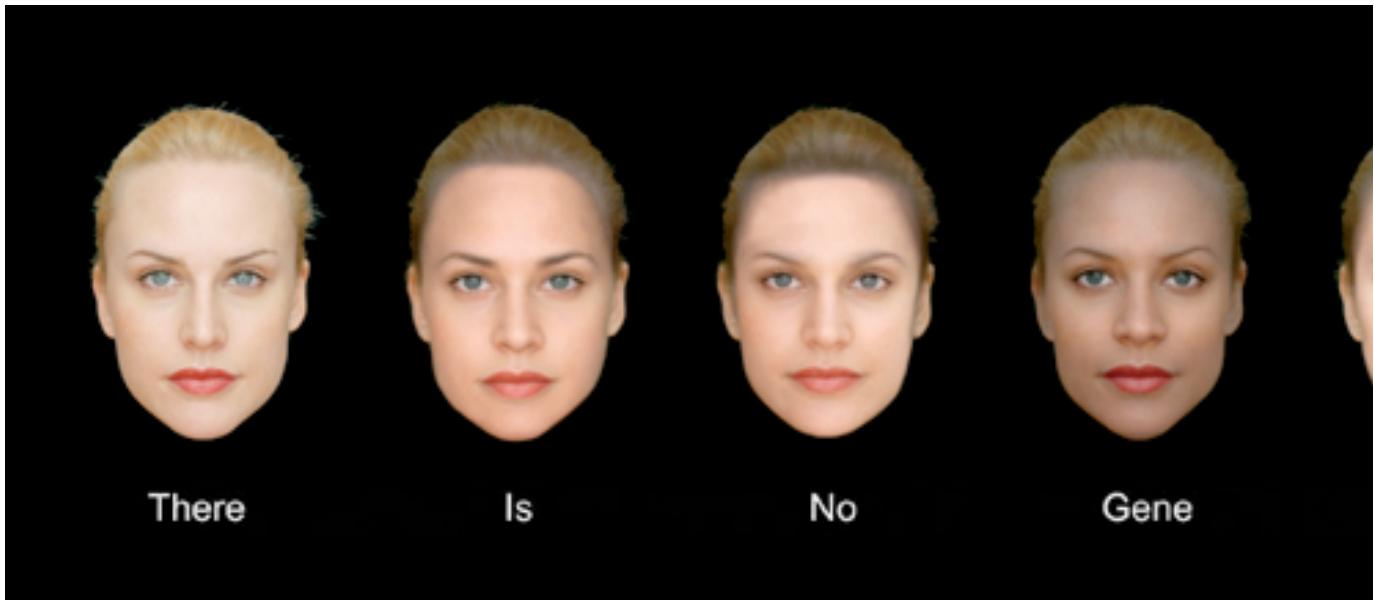

**They reportedly lived during the time of Atlantis in the regions of the world that have sunk under the ocean today.**

Aliens not only created giant hybrid human beings who ruled Egypt and parts of the Middle East etc., they created human hybrids like the BLACK ADAM and early homosapeints by breeding primate DNA with human DNA which is why most humans today have the Rh Positive Blood Factors (Rh +) known as "Rhesus Monkey Positive"

These demonic entities we call aliens today bred human DNA with Neanderthal DNA, which is where we get the Red Hair gene. Original humans did not have the red hair gene originally, it came from primates.

### Beach Giant's Skull Unearthed By WPA Workers Near Victoria

#### Believed to Be Largest Ever Found in World; Normal Head Also Found

That Texas "had a giant on the beach" in the long ago appears probable from the large skull recently unearthed in a mound in Victoria County, believed to be the largest human skull ever found in the United States and possibly in the world.

Twice the size of the skull of a normal man, the fragments were dug up by W. Duffen, archaeologist, who is excavating the mound in Victoria County under a WPA project sponsored by the University of Texas. In the same mound and at the same level, a normal sized skull was found. The pieces taken from the mound were reconstructed in the WPA laboratory under supervision of physical anthropologists.

A study is being made to determine whether the huge skull was that of a man belonging to a tribe of extraordinary large men or whether the skull was that of an abnormal member of a tribe, a

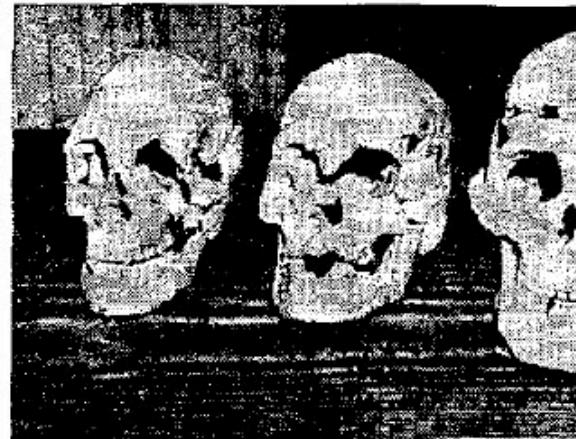

case of gigantism. Several large human body bones also have been unearthed at the site.

Marcus B. Goldstein, physical anthropologist employed on the WPA project, formerly was an aide of Ales Hrdlicka, curator of the National Museum of Physical Anthropology.

Finds made through excavations in Texas are beginning to give weight to the theory that man lived in Texas 40,000 to 45,000 years ago, it is said.

#### STAMP SOCIETY MEETS

San Antonio Philatelic Society will hold its first meeting of 1940 at the Y. M. C. A. at 8:30 p. m.

**GIANT SKULL**—Believed to be possibly the largest found in the world, the human skull on the right was recently unearthed in Victoria County by Texas University anthropologists. The other two are of normal size.

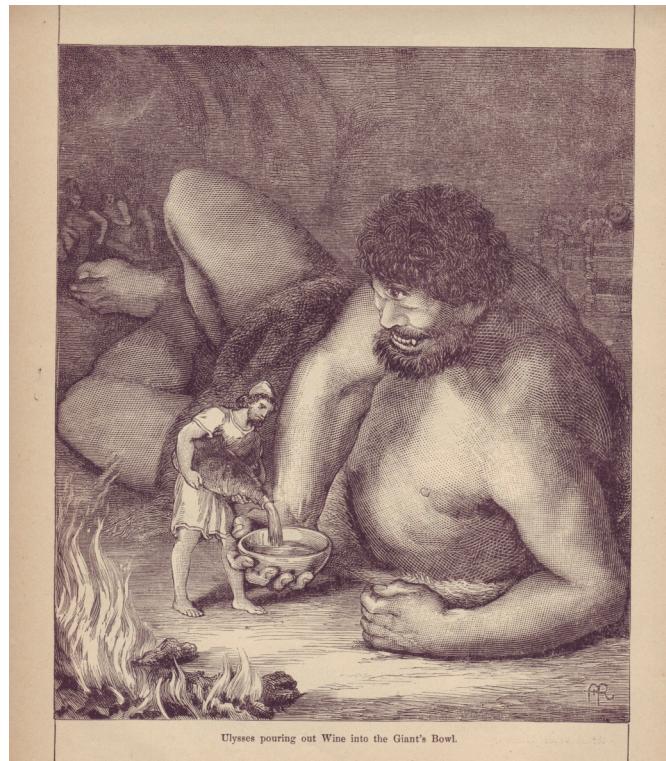

Monday, when a bourse of rare stamps will be shown by collectors in this vicinity. New officers of the society are Norman H. Brock, president; B. A. Tur-

ner, vice president; Edward Albach, secretary and treasurer; and re-elected.

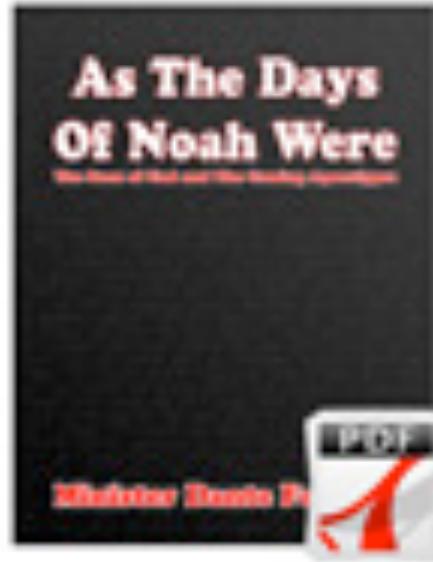

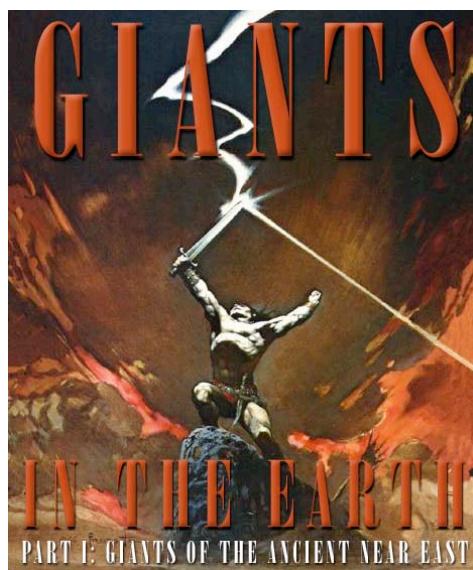

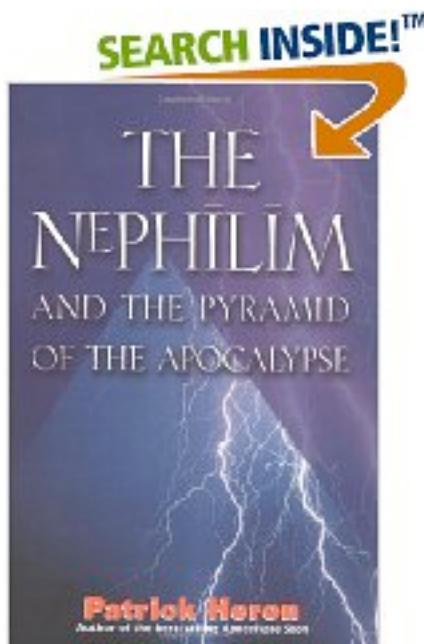

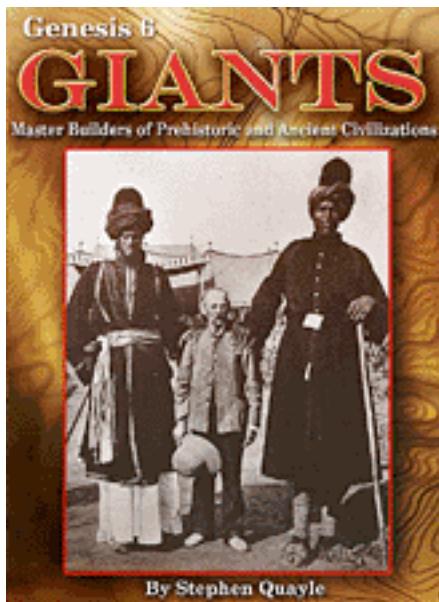

Giant bones have been dug up all over the world. IT'S A BEST-KEPT SECRET. Many of these bones wind up in the Smithsonian basement or in parts of buildings that are closed to the public.

**How would you like to have a hand this size grabbing for you? Strange as it may seem this appears to have been what people feared at a time in history that has been lost to us.**

**Legends of the giants have spanned the globe and are told in fairy tails to children like Jack in the Bean stock.**

Many authors are writing about giants today. Most of them focus on the Middle East because the legends are so prevalent and the documentation is all over the place. Here are just a few of these books and authors.

Today Hollywood is putting out movies with giants as their evil subject matter. Movies like "Wrath of the Titans," "Jack The Giant Killer," "Twilight: Breaking Dawn." Is it a coincidence that this is happening when prophecy states

**that they will return as well at the END of this CURRENT EARTH AGE?**

**IS THERE A BLOODLINE ALIVE TODAY WITH THE SAME BLOOD FACTOR AS JESUS (YASHUA)**

**YES THERE IS A PURE BLOODLINE FACTOR ALIVE TODAY BUT IT IS NOT THE HYBRID BLOODLINES BEING PROMOTED IN THE HOLY GRAIL BOOKS TODAY. These Holy Grail books are promoting the satanic Serpent Bloodlines instead of the real bloodline of JESUS (YASHUA) and MARY MAGDALENE. These books include the “DaVinci Code”, “Holy Blood Holy Grail”, Sir Laurence Gardner’s books etc. The list of books and authors go on and on. These authors have incredible information to share with your readers, the only problem is that the information they promote regarding the bloodline of Jesus (Yashua) is not accurate and they use falsified information to prove their theories.
